ENERGY STAR®, a U.S. Environmental Protection Agency program, helps us all save money and protect our environment through energy efficient products and practices. For more information, visit www.energystar.gov.

Dear ENERGY STAR® Data Center Storage Manufacturer or Other Interested Party:

The U.S. Environmental Protection Agency (EPA) will host an in-person stakeholder meeting on October 13, 2011 at the SNW Fall 2011 Conference in Orlando, FL. The meeting will focus on the Draft 2 Version 1.0 ENERGY STAR Data Center Storage specification, which EPA anticipates distributing to stakeholders at the beginning of October. EPA invites stakeholders to RSVP by email to storage@energystar.gov with the subject "RSVP – Storage SNW October 13 Meeting" and indicate in-person or remote attendance.

If you have any questions, please contact storage@energystar.gov.

For information on SNW Fall 2011, please visit www.snwusa.com.

Thank you for your continued support of the ENERGY STAR program!

This message was sent to you on behalf of ENERGY STAR. Each ENERGY STAR partner organization must have at least one primary contact receiving e-mail to maintain partnership. If you are no longer working on ENERGY STAR, and wish to be removed as a contact, please update your contact status in your [MESA](#) account. If you are not a partner organization and wish to opt out of receiving e-mails, you may call the ENERGY STAR Hotline at 1-888-782-7937 and request to have your mass mail settings changed. Unsubscribing means that you will no longer receive program-wide or product-specific e-mails from ENERGY STAR.
