[Proposed Path to Final Data Center Storage Version1.0.pdf](#)

Dear ENERGY STAR® Data Center Storage Stakeholder:

The attached document outlines a proposed path forward to finalizing the Version 1.0 Data Center Storage specification. In particular, it contains potential changes to testing requirements and general timeline information.

Thank you for your continued support of the ENERGY STAR program.

This message was sent to you on behalf of ENERGY STAR. Each ENERGY STAR partner organization must have at least one primary contact receiving e-mail to maintain partnership. If you are no longer working on ENERGY STAR, and wish to be removed as a contact, please update your contact status in your [MESA](#) account. If you are not a partner organization and wish to opt out of receiving e-mails, you may call the ENERGY STAR Hotline at 1-888-782-7937 and request to have your mass mail settings changed. Unsubscribing means that you will no longer receive program-wide or product-specific e-mails from ENERGY STAR.
