Dear ENERGY STAR® Displays Partner, EPA-recognized laboratory, certification body, or accreditation body:

The Environmental Protection Agency (EPA) has clarified parts of the Version 5.1 ENERGY STAR Displays specification to indicate removal of Tier 2 requirements, which are being superseded by the Version 6.0 specification revision. The revised Version 5.1 program requirements are attached and will be posted to the ENERGY STAR website at www.energystar.gov/specifications shortly.

Please direct any questions to Christopher Kent, at Kent.Christopher@epamail.epa.gov or 202-343-9046, or Bizhan Zhumagali, ICF International, at BZhumagali@icfi.com or 202-572-9448.

Thank you for your support of the ENERGY STAR program.

This message was sent to you on behalf of ENERGY STAR. Each ENERGY STAR partner organization must have at least one primary contact receiving e-mail to maintain partnership. If you are no longer working on ENERGY STAR, and wish to be removed as a contact, please update your contact status in your [MESA](#) account. If you are not a partner organization and wish to opt out of receiving e-mails, you may call the ENERGY STAR Hotline at 1-888-782-7937 and request to have your mass mail settings changed. Unsubscribing means that you will no longer receive program-wide or product-specific e-mails from ENERGY STAR.
