Dear ENERGY STAR® Displays Partner or Other Interested Party:

The U.S. Environmental Protection Agency (EPA) would like to announce the release of the Draft 3 Version 6.0 ENERGY STAR Displays specification. The draft is attached and is accompanied by the Draft Test Method, Draft Partner Commitments, cover memo, data reporting template, and EPA dataset used to inform decisions made in the development of this specification. Stakeholders are invited to review these documents and submit comments to EPA via email to displays@energystar.gov by **March 9, 2012**. All comments received will be posted to the ENERGY STAR Product Development Web site, unless the submitter specifically requests that his or her comments remain confidential.

Stakeholders are also invited to participate in a webinar to discuss specification development and provide feedback directly to EPA. The meeting will be held on **February 22, 2012, from 11am-2pm, Eastern Time**. Please RSVP no later than February 21, 2012 by emailing displays@energystar.gov with the subject "RSVP – ES Displays February 22 Webinar."

If you have any questions, please contact Verena Radulovic, EPA, at Radulovic.Verena@epa.gov or (202) 343-9845, or Bizhan Zhumagali, ICF International, at BZhumagali@icfi.com or (202) 572-9448.

Thank you for your continued support of the ENERGY STAR program.

This message was sent to you on behalf of ENERGY STAR. Each ENERGY STAR partner organization must have at least one primary contact receiving e-mail to maintain partnership. If you are no longer working on ENERGY STAR, and wish to be removed as a contact, please update your contact status in your [MESA](#) account. If you are not a partner organization and wish to opt out of receiving e-mails, you may call the ENERGY STAR Hotline at 1-888-782-7937 and request to have your mass mail settings changed. Unsubscribing means that you will no longer receive program-wide or product-specific e-mails from ENERGY STAR.
